*It is one of the best ebooks. Yes, it is actually engaging, still an interesting and amazing literature. It has been developed in an exceedingly straightforward way in fact it is just following me after finishing reading through this book by which it basically modified me, altered the way I really believe.*

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 84 pages. Dimensions: 8.8in. x 6.0in. x 0.4in. This inspiring, interesting, moving and sometimes funny collection of poems comes from a group of friends meeting weekly to write about their encounters with cancer and with life. Sometimes all the structures we have relied on are taken away by pain and change; poetry can give us the chance to restructure things. In this book, a weaver launches her dreams into the treetops, an artist tackles a villanelle in his scanning chamber, a research chemist describes his chemotherapy in measured stanzas, an engineer writes of her widows grief. A photographer records the details of beauty, an English teacher plays with form and rhyme, a counselor writes of unwrapping her new self. A mother undergoing surgery speaks to her daughter, an executive imagines the family supper table without him. A woman's visits to Poland and Canada give perspective on her origins and current life. As you will see from the poems in this book, a cancer diagnosis is not just numbers, and it is not just loss. This item ships from La Vergne, TN. Paperback.
