

Self Help Steps to Success

By Clifford Campbell

Paperback. Book Condition: New. Paperback. 49 pages. A WORD FROM THE AUTHOR In every chapter of this book, I have provided bits and pieces of information that will help to lay the foundation for your success plan. Throughout the book, there is the constant reminder that adverse circumstances that are beyond our control are never a good reason to quit when the going gets tough. As a matter of fact, difficulties are often opportunities in disguise. We should seize those moments of adversity to grow and develop. It is not easy to explain to a person who is experiencing a crisis that better days will come, and that they will reap the benefits of trials and tribulations. However, no great achievement is ever bereft of challenging times along the way. As I write this book, our country is experiencing the greatest economic difficulties since the great depression which started in 1929 and lasted into the late 1930s, and probably into the early 1940s depending on one's historical economic perception. There is no doubt that those were very harsh economic times. Today, while the impact of the economic downturn is not as severe as the years of the great depression, millions of...
