Three years ago they also introduced the La Fourmi vertical engine of li H. p. , and portable engines for use in the field. These useful little engines are used in all countries of the world, and the present factory and offices occupy a space of more than 6, 000 square meters. The technical departments and the shops are all under the management of members of the firm, and both machinery dealers and users of gasoline engines everywhere are invited to write to them for catalogues and export prices. Address Van Eecke Gheysens and Co. , Hue de Groeninghe 29, Courtrai, Belgium. 500 each. During the first year of the companys existence the output of their factory amounted to 700 beds, but at the present time they are making them at the rate of about six every minute. The entire factory now...
